

Island fun in the Sun

Do you have the winter blues?

Well at Kids and Company we are tired of the cold weather.

So we've decided to leave Prescott behind and head to the South Pacific.

No matter what the temperature might be outside it is going to be downright tropical at camp this week.

Please remember to pack a morning snack and lunch each day.

Also, outer wear depending on weather condition...hat, gloves, coat, sunscreen, etc...

A personalized water bottle would be appreciated.

Hop aboard for some Island fun. From Polynesian crafts to a traditional Hawaiian Luau.

Oh and don't forget about the fun filled field trips.

At Kids and Company we always like to end our camps with something special. Spring Camp will be no exception. Join us on Friday for a Luau Celebration...Time to be announced.

In a rush? Wish you could skip the lines and get pre-registered now?

GOOD NEWS!

Fax the registration form to 928-717-1203 no later than 3/11 to beat the crowds

For more information on Spring Camp and all of our exciting programs check us out at...
