The Lincoln School kindergarten teachers cordially invite you to join them on Thursday evening, February 18th, for a preview of kindergarten. Come with your child and explore the Land of the Letter People and other curriculum components. Visit our kindergarten classrooms and enjoy “hands-on” parent/child activity centers.

*Snacks and a question-and-answer period will round out the evening’s agenda. Here’s a great way to be confident that Lincoln School is the **BEST CHOICE** for your child!*
