

Prescott High School Athletic Hall of Fame

The Prescott High School Athletic Hall of Fame was started in 1977 to recognize outstanding male and female PHS athletes from past decades and to inspire future ones. Our committee is made up of ten members. All are long-time residents of Prescott.

In choosing outstanding athletes, we went back as far as there are records. This program exists to honor those few athletes whose achievements in the sports arena were extraordinary. Achievements before coming to Prescott or after leaving high school are not considered in determining admission.

As of 2007, one hundred seventy-five (175) athletes and twenty (20) teams have been selected. Individual plaques honoring those already inducted to this select group have been displayed on the wall at the entrance to the high school boys' gym and may be viewed by the public.

We hold an induction every year at a home football game where all inductees are recognized on the field at half-time. An award ceremony is held at a buffet reception at a local hotel to which we invite an average 90-120 people. Honorees have come from as far away as Austria for this induction. All funding is totally by donations and fund raising projects, and no budgeted taxpayer monies are used.

Athletic Director, Bill White, accepts nominations from the community. These should be accompanied by statistics which will be reviewed by the selection committee.

The following are the criteria for candidate selection for the Prescott High School Athletic Hall of Fame:

- ◆ Leadership
- ◆ Value and contribution to the individual sport or team
- ◆ School or state records are considered
- ◆ Awards--All-State, All-Division, All-Region, All-Conference
- ◆ Athlete must abide by the school's athletic code of conduct
- ◆ Achievements at high school level only are considered
- ◆ Athlete must be out of high school for at least five years and be a PHS graduate

Prescott High School Athletics Hall of Fame

Individual Awards

First Name	Last Name	Sport(s)
