## NJHS will begin the Pennies for Patients competition after Spring break!

Did you know it is estimated that \$10.5 billion in change is sitting idle in American households? It's time to put all those coins to work in a way that will make a big difference for people battling blood cancers like Leukemia. Please empty your coin jar, check your pockets and look under the couch cushions.

Beginning **March 22-April 7th** students in our school will be collecting change and other donations to support The Leukemia & Lymphoma Society's mission: cure leukemia, lymphoma, Hodgkin's disease and myeloma and to improve the quality of life for patients and their families. Their mission is supported in part by School & Youth Programs such as Pennies for Patients® and Olive Garden's Pasta for Pennies®.

More research is needed because, in spite of advances, leukemia causes more deaths among children than any other cancer. You may not realize how important your spare change is in the search for cancer cures - but it is! In fact, millions of children participating in School & Youth Programs raised millions of dollars last year! Every coin counts, and we thank you for your support!

March is youth Art Month, and PMHMS will have 45 pieces at both the Education Fair in front of Dillard's, Yavapai College from 3/2-29, and Prescott Public Library from 3/2-3/29.

# FROM THE PTSA:

Don't forget these important PMHMS Fundraisers:

**Papa John's** night is March 4<sup>th</sup> and every first Thursday of the month. Papa John's will donate a portion of its sales to PMHMS if you mention Mile High when ordering. So, make Thursday pizza night at your house and help support your school

**Sonic Night** is March 17<sup>th</sup> – Sonic will donate a portion of its sales to PMHMS so if you're hungry on St. Patrick's Day stop by Sonic – maybe you can get a green shake – it will be lucky for you and your school.

The PTSA, Students, Faculty, and Staff of Prescott Mile High Middle School all appreciate your continued support!
