

PUBLIC NOTICE  
GOVERNING BOARD MEETING PROCEDURES  
APRIL 1, 2021

Effective immediately and until further notice, the Prescott Unified School District will be limiting attendance at monthly Governing Board Meetings and PUSD Governing Board Retreats to twenty people, including five Governing Board Members, Student Representatives, five PUSD administrators and staff members, a Member of the Press, and PUSD's Videographer.

Due to the small size of our Governing Boardroom, a capacity of twenty people will allow us to maintain physical distance between attendees. A small number of members of the public may attend, if capacity allows.

PUSD's public request to speak (Exhibit BEDH-E) allows members of the public to speak to any voting item as follows:

PUSD is following the CDC's precautionary recommendation for public gatherings. It is recommended that all attendees wear a cloth face covering.

All Governing Board meetings are live-streamed and available to view via YouTube. Links to the Livestream can be found on the front of the agenda.
