Re: Summer School

Dear Parent/Guardian,

Our records indicate that your child is presently deficient in one or more core academic areas. We are hoping their grades will improve before the end of the school year, however, if their 4th quarter grades do not improve, your student will meet the criteria to attend summer school.

Your student is at risk of failing the school year in the following area(s):

_____ Language Arts

_____ Social Studies

_____ Mathematics

_____ Science

Please take a few minutes and fill out the enclosed summer school registration form and return the application to the counseling office no later than May 17th to ensure a spot in the classes needed.

Please note for athletes: Failing any class at PMHMS for the 4th quarter will make your child ineligible for participation in sports for the first 3 weeks at Mile High until their grades have improved. If you have questions or concerns please do not hesitate to call 928-717-3241 or email us at michelle.hoop@prescottschools.com.

Sincerely,

Alyson Anderson
